

COURSE SITE: WP.NYU.EDU/SPATIAL

Curious about the digital humanities?

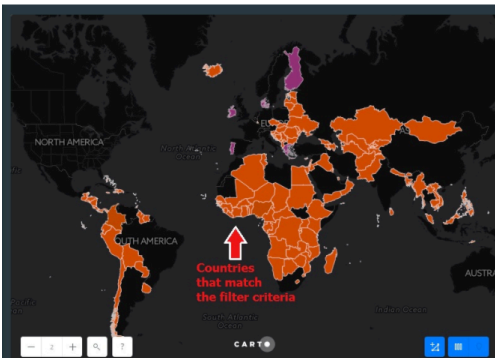

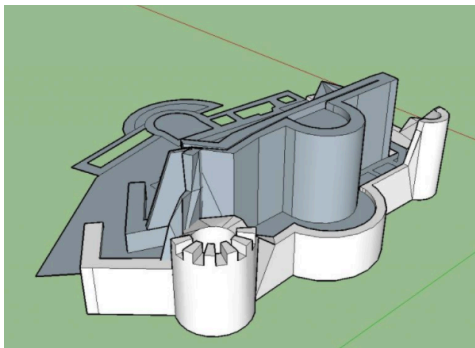

NEW COURSE: SPRING 2017

AHC-AD 141

Spatial Humanities

Time: Tu/Th 1150-105

Place: C3-118

actual maps and 3d models
made by NYUAD students

What is a map in 2017, anyway?

Do you want to learn to make
map content?

What happens when a map
jumps into 3d?

Playing with maps?? Telling
stories with maps?? 3d printing
Egyptian archeological sites??
Yup.

No technical knowledge required. We will learn how to do everything in class.
